

MAKE-A-MAZE

DESIGN YOUR OWN CORN MAZE
USING A COLORED PENCIL/MARKER

PRO TIPS

- Try to design your maze with the entrance and exit close together.
- Try to create your maze to include a fun picture!
- Using your geometry skills can really help make an interesting design.

A large grid of 30 columns and 30 rows, intended for drawing a maze.

TICKET DETAILS:

- Good for one Farmstead admission on either 9/18/2020 or 9/19/2020 only.
- If Lowe Family Farmstead is closed on these dates for any reason including inclement weather, this ticket will not be valid on any other dates. No rain checks will be issued.
- Only valid for current (2020) students Kindergarten to Senior in High School.
- One ticket per student only. Students must personally present this completed worksheet at the farm to redeem as a ticket.
